1961 MIRROR

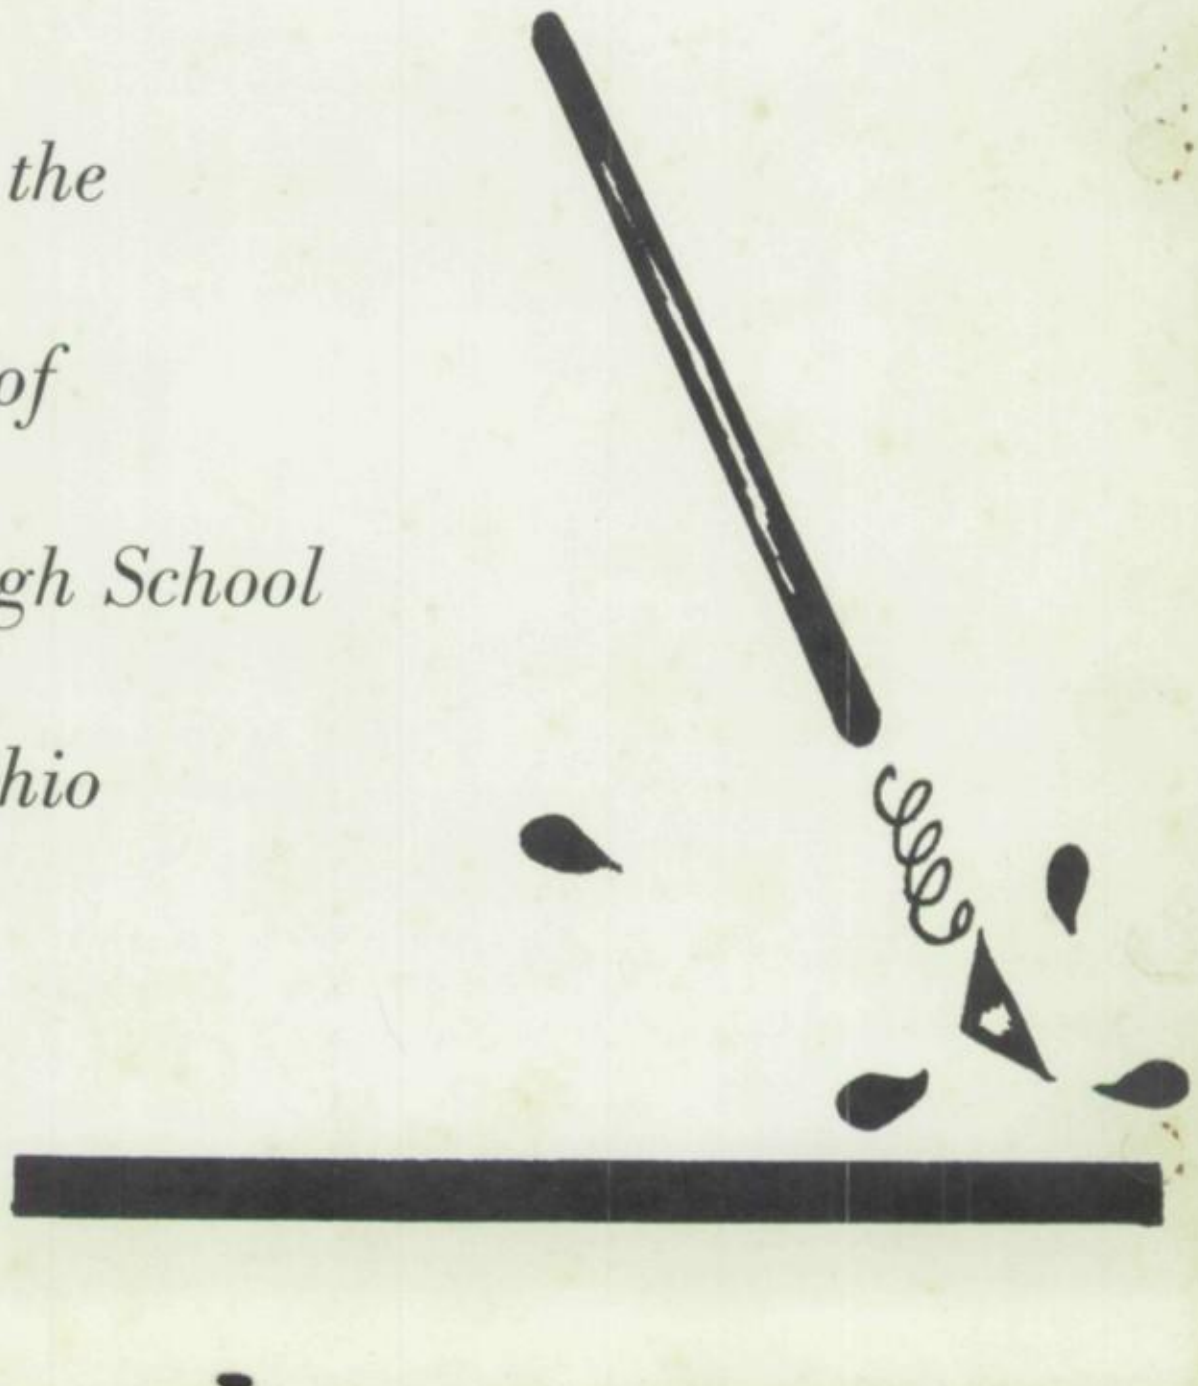
VOLUME 52

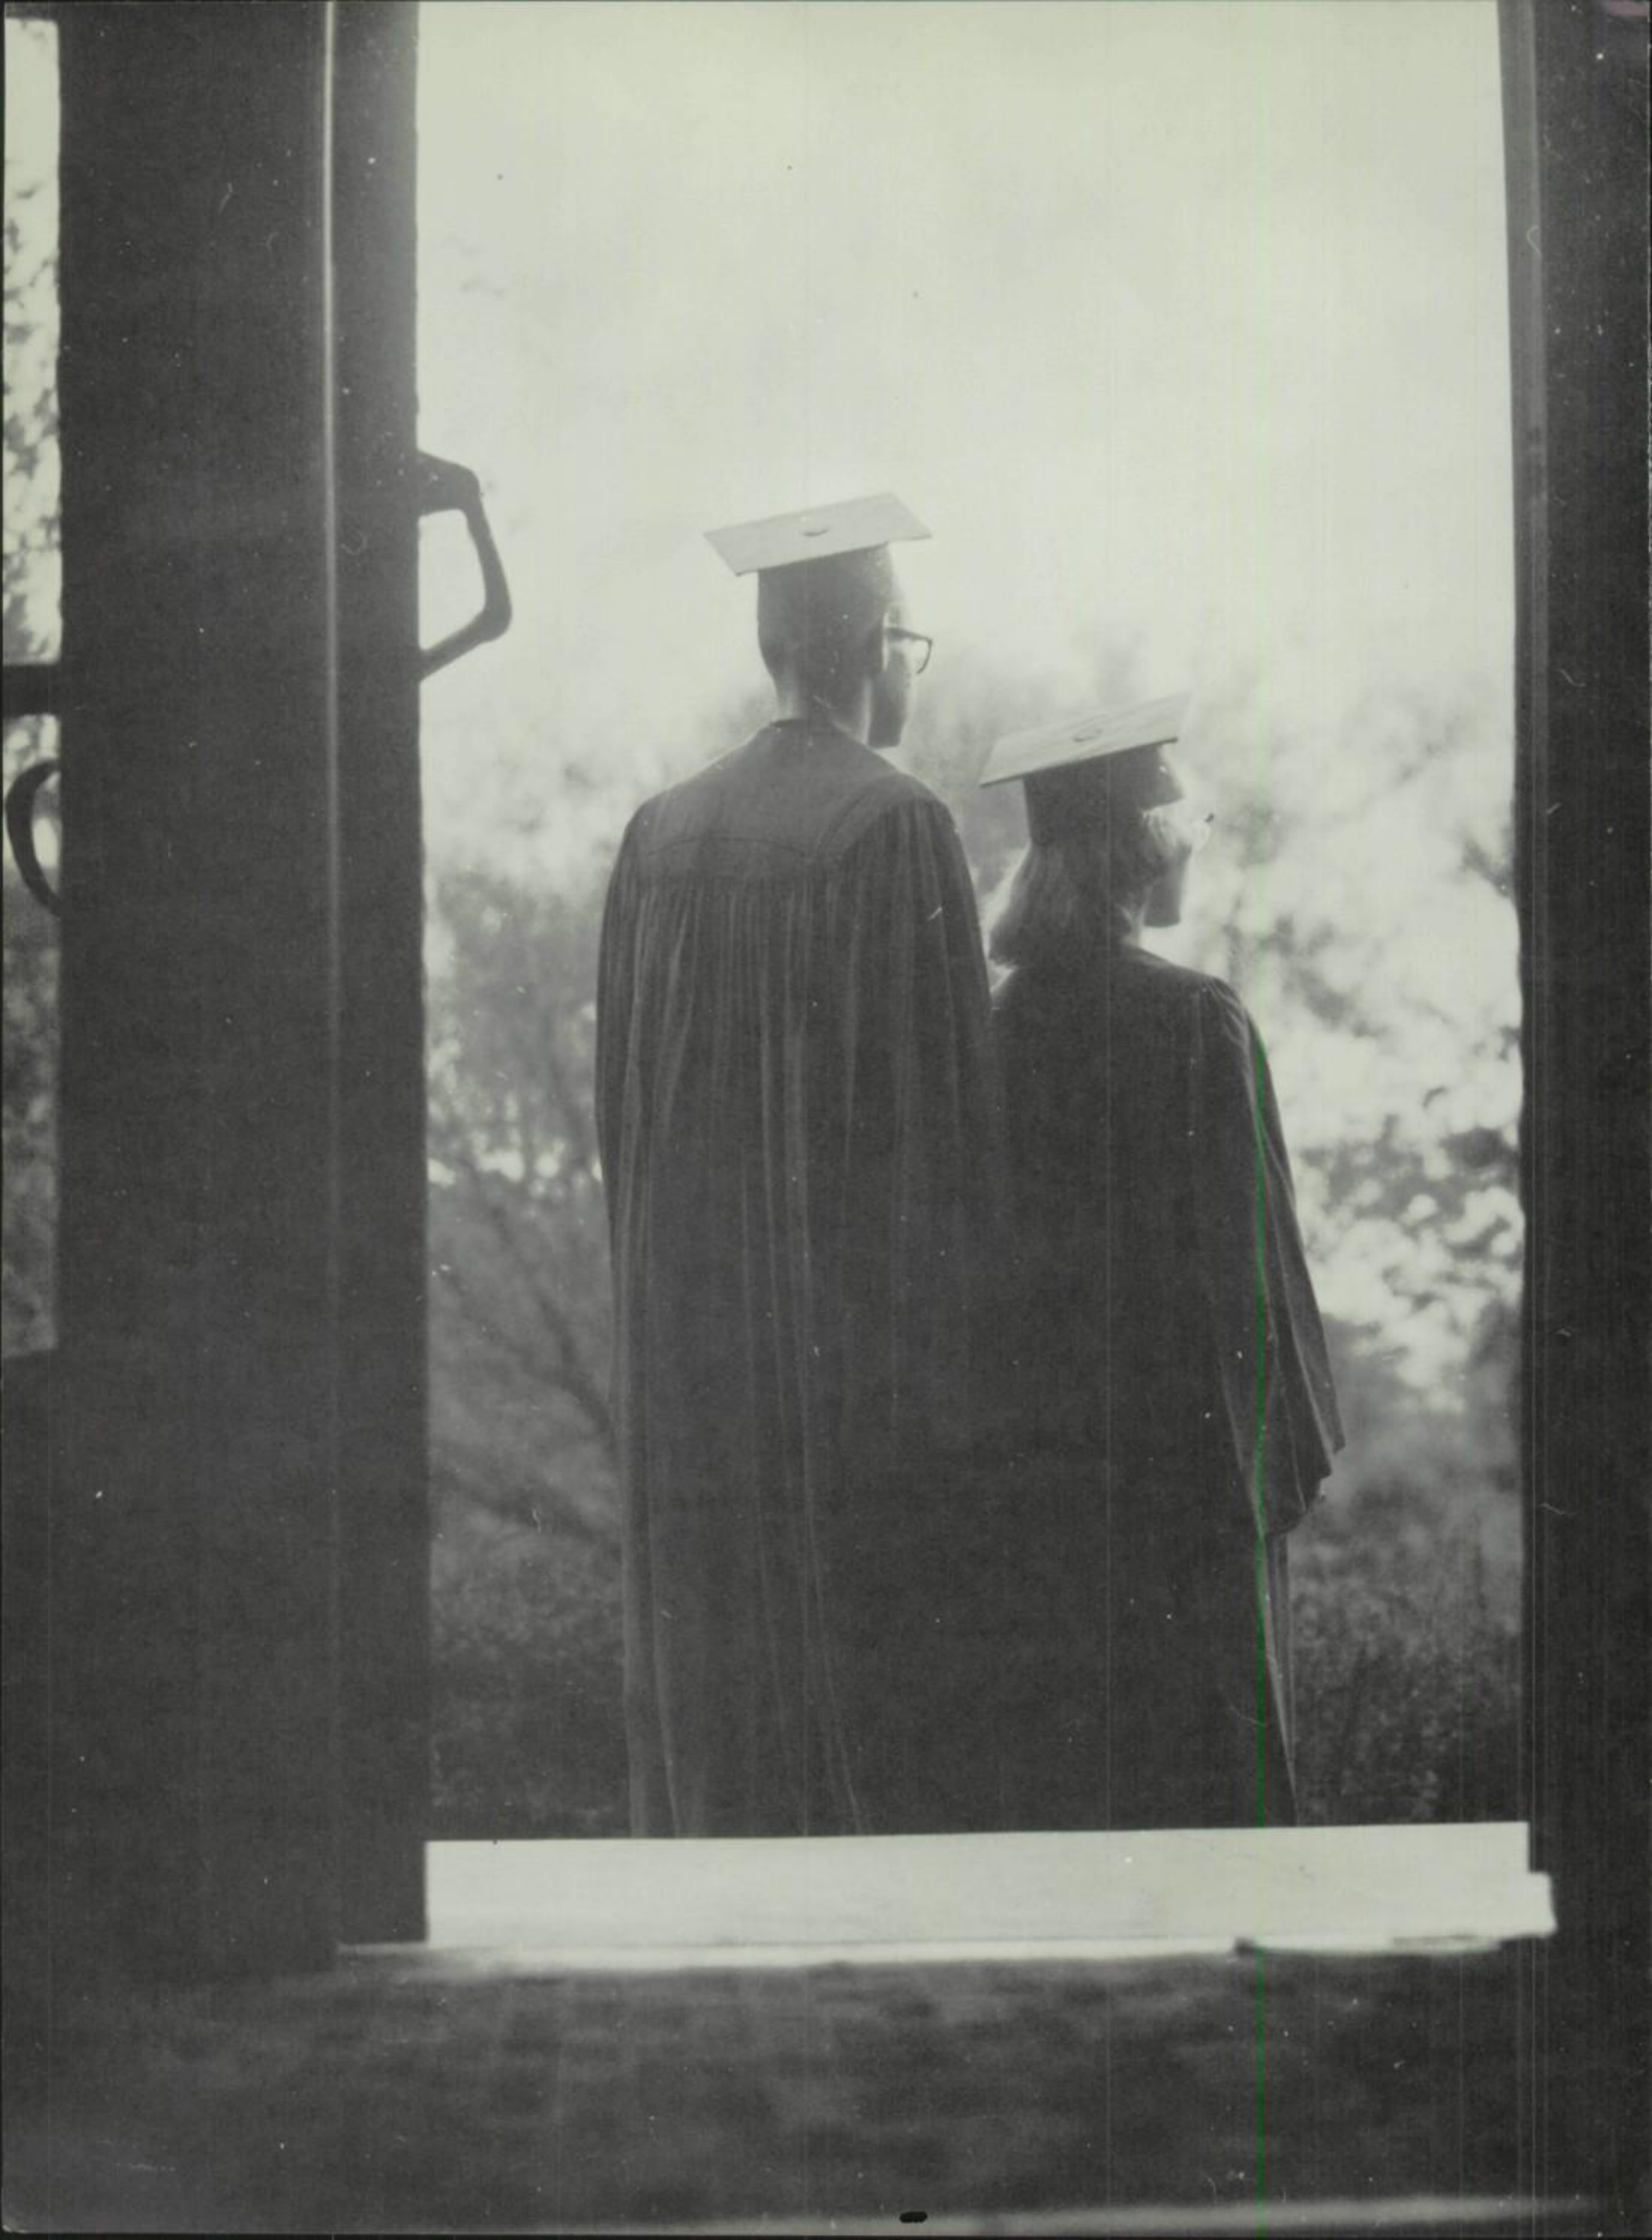
Presented by the

Mirror Staff of

Memorial High School

St. Marys, Ohio





DEDICATION

One hundred and forty-seven students will graduate this spring with the class of 1961. Each senior will remember vividly the constant search for knowledge, the rewards of serious research, the satisfaction of scholastic contests. With these memories, however, they will also recall the growing feeling of inadequacy that comes from realizing commencement is, after all, only a beginning. May there be doctors in this class, and may there be teachers, scientists, and lawyers; but above all, in the final evaluation, may there be one hundred and forty-seven educated American citizens.

To the members of this graduating class of 1961, to its memories of past accomplishments and to its promises of future achievements, this Mirror is dedicated.

To Ronnie —
Remember the
"Good Ole Days"
when the Bonnie-Ronnie-
Mary trio went everywhere
together? Those were the best
times, not? There's still a lot of
fun coming in our Senior Year though
so — Lots of luck with everything + the
"Liberators"

Ronnie,
Look back in everything.
Maybe looks like coming to
my "Prom" Breakfast. Or
time really more, even though
the rest of the kids distinct
just that on time. It was
fun though. Always will
remember "good ole" English
class.
